

Notice

SEPTEMBER 2017

Construction Codes

Please be advised that as the State of Michigan adopts new construction codes, those codes will automatically become effective in Shelby Township.

As of the date of this notice, the following is a list of the applicable codes and their effective date:

Michigan Residential Code - 2015 International Residential Code with State Amendments (includes energy code provisions) – **Effective February 8, 2016**

Michigan Building Code– 2015 International Building Code with state amendments – **Effective April 20, 2017**

Michigan Electrical Code– 2014 National Electrical Code with state amendments – **Effective June 18, 2015.**

Michigan Mechanical Code– 2015 International Mechanical Code with state amendments – **Effective April 12, 2017.**

Michigan Plumbing Code– 2015 International Plumbing Code with state amendments – **Effective April 20, 2017.**

Michigan Energy Code 2015 (commercial) – Effective September 20, 2017

Applications for permits received on or after the effective dates will be regulated under the new code.

Copies of the new codes and state amendments will be available through the State of Michigan Bureau of Construction Codes (www.michigan.gov/bcc) and the International Code Council (www.iccsafe.org).
