*With pictures taken by Joan Plumhoff, Historian*

*The Shelby Gardeners Garden Walk 2006 was a tremendous success this year once again. The 8 gardens featured on July 20 included Deborah & Steve Warden on Brynthrop, Julie and Daniel Moshenko on Saturn Drive, Pam & John Kauhn of Saturn Drive, Monica & Dave Damore on Heartwood, Heritage Gardens by the Shelby Gardeners, Sherry & Mike Allen on Michelle, Nancy Van Ophem on North Brook Court in Washington Twp. and Shelia & Ron Asunto on Nickelby Dr. The Gardeners all work long and hard to bring about this wonderful event that was enjoyed by many people in and around the Shelby Twp. area. To compliment the Gardens this year we had artist in the garden. Their work was auctioned off at the Shelby Twp. Library in the following week and all work was sold. The Shelby Gardeners are very thankful to the Home Owners for letting us into their private gardens that wonderful July day.*
