The Shelby Parkway Business District is one of Macomb County's fastest growing premiere corporate headquarter locations. Highly visible from M-53, and already occupied by some of the biggest manufacturing brands in the US, this district offers an ideal location for any organization looking for a high profile setting with easy access to all that Shelby Township has to offer. The Shelby Parkway Business District has a tax abatement in place for qualified manufacturing users and offers real estate sites starting at 6 acres up to 47 acres.
