A fence is proposed to be constructed along the property line abutting the above-mentioned properties, as indicated on the attached exhibit (attach location plan).

The Shelby Township Fence Ordinance requires that all supporting posts, cross members, supports, and protruding bolts, screws, and/or hardware of the fence shall be inside the lot of the person who constructs, or causes to have constructed, the fence unless written permission from the adjacent lot owner abutting the proposed fence is filed with the building department.

We, the undersigned, certify that we are the owners of the properties as mentioned above.

We, the undersigned property owners, agree to the placement of supporting construction, as described above, to be placed facing _____.
