## **Trinity Community Care hosts 3<sup>rd</sup> Annual 'I Care 4 Healthcare' 5k Walk and Fundraiser**

Trinity Community Care is hosting its 'I Care 4 Healthcare' 5K Run/Walk Fundraiser to benefit its free medical and dental clinic for the uninsured and underinsured in metro Detroit at 9 a.m. on Saturday, May 21 at Crossfit Edge 94 at 4775 25 Mile Road.

The annual 5K is the primary fundraiser for Trinity Community Care in its mission of serving Shelby Township and its neighboring communities.

"I am very proud to have Trinity Community Care within our borders, and the work the Trinity Community Care staff does for others is a great example for all of us," said Township Supervisor Rick Stathakis, who sits on the Trinity Community Care Board of Directors.

The walk/run is the third annual fundraiser for Trinity Community Care, and will feature medals for the top three male and female runners, a raffle, BBQ, and goodie bags for all participants post-race. The course will follow the Macomb Orchard Trail.

Trinity Community Care's vision is "strong and healthy individuals, families and communities through access to care". Their services are delivered with unconditional Christian love. They strive to do this in a manner that creates positive health outcomes for their patients in the township and throughout the entire Metro Detroit Area.

Supervisor Stathakis is encouraging people of all ages to come out and join him in supporting this worthy cause.

"Health insurance is a serious barrier for many struggling people in dire need of medical care." Stathakis said. "Any opportunity to contribute to providing health services such as those that Trinity Community Care administers can improve the lives of many."

The event will also be providing hot dogs, ice cream, a bounce house, and much more for its participants to enjoy.

"This fundraiser is a great way to engage and unite the members of our community to make a positive difference while also having a good time with family and friends," Stathakis said.
