

# Burgess-Shadbush Nature Center

## Animal Adoption Program

The Burgess-Shadbush Nature Center allows you to care for an animal without the commitment of taking it home. Introduce your child to the responsibilities of owning a pet and learn how to care for a reptile or amphibian before buying one for yourself.

By participating in our animal adoption program, you and your child are encouraged to come in regularly to feed, clean and care for one of our animals. We'll house it here while you learn more about the creature and what it takes to be a pet-owner.

### Adoption Fees

**\$25** - 1-year adoption of our smaller creatures

**\$50** - 1-year adoption of our larger creatures

Your adoption fee helps fund animal care and cover unexpected expenses such as vet care.

You'll receive an adoption certificate to show off to friends and family.

Makes a great gift  
for a child that  
can't house a pet  
and for teaching  
responsibility
