Residents of Shelby Township and Utica
REGISTER NOW BY MAIL, DROP-BOX, PHONE-IN, WALK-IN, FAX OR ON-LINE! Unless otherwise noted, enrollment from residents using any of these methods will be processed upon receipt.

Non-Residents
Beginning WEDNESDAY, November 9, enrollments from non-residents will be processed according to date received. Non-residents must add $7 for each activity unless description denotes a different fee.

REGISTRATION DATES

HOW TO REGISTER FOR AN ACTIVITY

Walk-in - Registrations are taken IN PERSON at the PRM Office. It is not necessary to complete a form for walk-in enrollment. Payment can be made by cash, money order, check, VISA or MasterCard.

Mail-In - Please complete and sign the REGISTRATION FORM ON THE NEXT PAGE and include it with your check, money order or credit card payment. Do not mail cash.

On-Line - You can enroll for most classes and activities by visiting the Parks, Recreation and Maintenance Department section of the Shelby Township website: www.shelbytwp.org. Look for the registration link in the left column and follow the prompts. Event and facility reservations and ticket sales are not available on-line at this time.

Fax-In - COMPLETE THE REGISTRATION FORM on the next page and fax it to us at 586-726-7228 with your VISA or MasterCard payment only. You may request confirmation of receipt on your fax form.

Phone-In - PHONE the Parks, Recreation and Maintenance Department at 586-731-0300 to enroll for an activity using your VISA or MasterCard for payment. A receipt will be e-mailed to any household that has an e-mail address on file; otherwise your credit card bill is confirmation of your enrollment.

Drop-Box - Please complete the REGISTRATION FORM and place it in an envelope with your check, money order or credit card payment. DO NOT deposit cash. The drop box is located next to the entrance door at the Parks, Recreation & Maintenance Department and is accessible 24 hours a day, seven days a week.

ADDITIONAL INFORMATION

EVENT RESERVATIONS - Any not made in person will be assessed a $2 mailing fee per family unless a receipt can be e-mailed. This does not apply to class enrollment. Event reservations are not available on-line. No refunds on any fees of $7 or less!

Enrollment Confirmation – Walk-in enrollment is confirmed at the time of registration. A receipt will be e-mailed for any enrollment not taken in person if an address is provided.

WE ARE UNABLE TO PRO-RATE FEES DUE TO LATE REGISTRATION OR PARTIAL CLASS ATTENDANCE

PRM Department and Nature Center Refunds – Requests are honored before a class meets for the 2nd time.

• Refunds for 1-day events must be requested at least five business days prior to the scheduled date.
• $7 per enrollment will be deducted from refunds for processing.
• A check will be mailed 3-4 weeks from date of request for cash and check transactions.
• Your card will be credited for VISA or MasterCard refunds.
• Refunds will not be issued for any fee of $7 or less.
• No partial refunds can be issued.

Check Return Policy – Any check returned for non-sufficient funds, or for any other reason will be subject to a $25 processing fee payable before further participation or registration.

Cancellations – Shelby Township PRM reserves the right to cancel an activity or program due to lack of enrollment or other circumstances beyond its control. If a cancellation is necessary, enrollees will be contacted by phone and a full refund will be processed.

Senior Discount – Enrollees age 65 or older are eligible for a 10% discount on their class enrollment upon request at the time of registration. If applicable, the discount is taken after the non-resident fee is added. A senior discount is not available for facility, park or event reservations.

Notice to Students - Instructors and/or staff members are not permitted to sell any product, service, or espouse any spiritual or religious activity while performing duties as an instructor or facility member for the Charter Township of Shelby. Said employees must state their occupation and commercial role at the first class meeting. In addition, literature with commercial content and/or business cards may be made available to students only upon the student’s request. The Charter Township of Shelby, its Parks, Recreation and Maintenance Department and its staff are not responsible for any activities that may take place inside or outside the classroom or off township properties.
Registrations will be processed UPON RECEIPT for Shelby and Utica residents. Registrations for non-residents will be accepted beginning Wednesday, November 9. ENROLLEES WILL BE NOTIFIED ONLY IF A CLASS IS FULL, CANCELLED, OR REQUIRES A SUPPLY LIST. If you would like a receipt mailed to you, please include a self-addressed, stamped envelope with your mail-in or drop-box registration, or you may request a fax-back or e-mail receipt with your faxed enrollment.

DON'T FORGET TO SIGN THE SIGNATURE LINE. Include your check, money order, or credit card information. Make checks payable to: SHELBY PARKS, RECREATION & MAINTENANCE.

PLEASE NOTE! EVENT TICKETS not sold in person will be assessed a $2 mailing fee. THIS DOES NOT apply to class registrations.

River Bends Park Pavilion Rentals

Looking for a great outdoor location for a grad party, family reunion, company picnic, birthday party or other get-together? River Bends Park has 3 pavilions that can accommodate up to 180 persons each, and you can reserve one for your special occasion. Each shelter is equipped with electrical outlets, access to water, restrooms, a playground area, sand volleyball courts (net is up, but you provide ball), and horseshoe pits (you provide horseshoes). There is no vehicle fee to enter this park, but a fee is charged to reserve a pavilion. River Bends is located on the south side of 22 Mile Road between Shelby and Ryan Roads. Reservations for 2012 dates will be accepted beginning Monday, January 9, 2012. Please contact the PRM Department by phone at 586-731-0300, or e-mail us at shelbyprm@shelbytwp.org for rates and other information.

Wedding Ceremonies at Historic Hope Chapel

Are you recently engaged to be married? Shelby Township's Historic Hope Chapel located on the Shelby Township Municipal Grounds may be the perfect setting to take your vows in front of up to 80 guests. Reservations for 2012 weddings are now being accepted at the Parks, Recreation and Maintenance Department. Fridays, Saturdays and Sundays are available with Thursdays reserved for rehearsals. Dates for 2013 weddings will be accepted beginning September 12, 2012. The fee is $335 for Shelby and Utica residents or $435 for non-residents for a 2 ½ hour time block and a one-hour rehearsal (must reserve time). The wedding party is responsible for contracting their own clergy or officiant to perform their ceremony. Phone the PRM Department at 586-731-0300, or e-mail shelbyprm@shelbytwp.org for details.

Heritage Gardens Reservations

The picturesque Heritage Gardens located on the Shelby Township Municipal Grounds makes a beautiful setting to hold your outdoor wedding. You may also reserve time for wedding or family photos. The gardens are surrounded by ornate wrought iron fencing and maintained by members of the Shelby Gardeners Club and the Parks, Recreation and Maintenance Department. Amenities include a 10 foot gazebo in a gated formal garden area adjacent to a 2 ½ acre spring-fed lake, and a brick walkway leading from the rear of the municipal building to the gazebo. Reservations are accepted on an hourly basis for a fee of $35 for residents or $110 for non-residents. Bookings for 2012 dates are currently being accepted at the Parks and Recreation Department. Don’t wait to make your reservation – dates fill quickly! Reservations for 2013 dates will be accepted beginning September 12, 2012.

Room Rental at the Shelby Community Center

Need a room for a business or organization meeting? Are you planning a birthday party or shower and need a space larger than your home can provide? We can provide rooms, complete with tables and chairs for up to 100 people at the Shelby Community Center Monday through Friday from 5:00 to 9:00pm and during limited times on Saturday and Sunday. Available dates are also limited. Please note that no alcohol is permitted on the premises. Call 586-731-0300 for more information.

Classroom type room (30 person capacity) $25/hour
Cafeteria type room (100 person capacity) $50/hour
A “Hidden Treasure”….. better known as River Bends Park
An Invitation from Director, Joe Youngblood

For years Shelby Township’s River Bends Park was only known to a few local residents and those that grew up in the area. The secret is out and this 600+ parcel of land is a thriving park with something to offer to everyone. The park, formerly known as Shelby-Utica Recreation Area was owned by the State of Michigan and was purchased by Shelby Township for $1.00 in 1992. Since that time the Parks, Recreation and Maintenance Department has and continues to update, improve and maintain the park’s trail system, parking areas, restrooms, play structures, disc golf course, volleyball and horseshoe courts, picnic areas, and more. We invite you to visit River Bends Park and discover this “Hidden Treasure” for yourself.

The main park entrance is located on the south side of 22 Mile Road between Shelby and Ryan Roads and this is where groups gather at the park’s three shelters for family reunions, company picnics, and graduation parties. There are also a number of annual events that take place in the main park area, including the upcoming Easter Egg Scramble and a variety of other family oriented events. Most summertime weekends bring visitors of all ages out to enjoy nature at its finest at River Bends Park.

River Bends Drive is located on the east side of Ryan Road between 22 Mile and Auburn Roads. This section of the park is home to ball diamonds, soccer fields, a skate park, a trap and archery range, and the jewel of River Bends Park, the Burgess-Shadbush Nature Center. A branch of the Clinton River separates the main park from this area and in 2000 a bridge was constructed to allow visitors to safely cross the river to hike the extensive trails that wind through the park.

In recent years the addition of the asphalt trail system and mountain bike trails has become quite popular with outdoor enthusiasts; proven by a large increase in park users at River Bends Park. Once complete the Stony to Metro trail will lead bicyclists from Stony Creek crossing the Macomb Orchard Trail down through River Bends and into the City of Utica. From Utica bicyclists will be able to travel to Metro Beach.

River Bends Park also has a rich history with roots that go back to pre-civil war days. The Peter Lerrich Farm was once located on this same land which was also documented as a stop on the Underground Railroad. Boxing legend Joe Louis also owned a portion of this land which was then called Springhill Farm. He ran his training camp and entertained guests and members of the media there. During the 1950’s and 1960’s the U. S. Government constructed a Nike Missile site on a portion of what is now River Bends Park.

For maps and more information about River Bends Park, please visit www.shelbytwp.org/departments/prm. Stop by and discover Shelby Township’s “Hidden Treasure”. I’m sure you won’t leave disappointed!
### 2012 Dates to Remember

There is a new way to find us on-line!
For quite some time you could find most information about the Shelby Township Parks, Recreation and Maintenance Department on the Shelby Township website www.shelbytwp.org and now all of our information is posted there. We have phased out our current website www.shelbyparksandrecreation.org to make it easier for you to find what you are looking for from the PRM Department and other departments as well. Currently you can still reach us from the old web address; it will simply re-route you to the Parks, Recreation and Maintenance section of the Shelby Township website.

Check out our new web page by opening www.shelbytwp.org and clicking on the “Departments” tab. You’ll find us listed as “Parks, and Recreation”. Once open, most everything you’re looking for, including on-line registration, information about parks and facilities, and flyers promoting upcoming events should be right at your fingertips – just see the links in the left column.

Please note! We are updating and adding new information periodically so visit our new page from time to time to see what new events we are hosting and what else is happening in the Parks, Recreation and Maintenance Department.

Feed the Need
Join the Shelby Parks, Recreation and Maintenance Department in our mission to help our neighbors in need during these difficult times this winter. During the months of November and December we’ll be collecting non-perishable food items at the Parks, Recreation and Maintenance Department office and at all of our holiday events.

Collected items will be distributed to those in need through the Shelby Township Lions Club Holiday Food Basket Program. If you have extra, please be generous. If you are in need, please contact the Shelby Township Lions Club Holiday Food Basket Chairman Dave Kady at 586-739-2023.

Sponsor Opportunities
The Shelby Township Parks, Recreation and Maintenance Department works hard to provide a variety of free and low cost events for area families, and our sponsors are a vital part of their success. Financial assistance and the contributions of goods and services from local businesses and service organizations allow us to continue to host quality events for the benefit of the community. If your business or organization would like to show your support for the community as an event sponsor we’d like to speak with you.

In return for your contribution your business name or organization will be listed on promotional materials such as flyers, press releases and website posts. Depending on the contribution level, other benefits could include use of your logo on promotional materials, a ½ page display ad in an upcoming edition of this newsletter, an opportunity to be interviewed in “Parks & Recreation in the News” on Shelby Township’s local television channel, a banner placed at the event, an opportunity to distribute business or organization information at the sponsored event, and more.

Please contact us at 586-731-0300 or via email at shelbyprm@shelbytwp.org for more information and to discuss your sponsor options.

A Fish with Two Names
The Steelhead is a sometimes large and impressive salmon that is found in the Clinton River on a yearly basis. Salmon fishermen sometimes catch Steelhead, and other visitors to River Bends Park sometimes get a glimpse of this animal as it swims or crosses a shallow area. But the Steelhead doesn’t start life as a salmon. It starts life as a Rainbow Trout. Rainbow Trout were originally native to western North America and were introduced into Michigan and into many other parts of the world.

Rainbows must live in cold streams or lakes with sufficiently high oxygen levels. Those that remain in the habitats where they were hatched throughout their lives, remain trout. But those that migrate to the Pacific Ocean (in the west), or the Great Lakes, show subtle changes in their coloration, shape, and behavior, and they become Steelhead Salmon. Their color becomes duller and shifts to a silvery blue, they typically become larger in size, slightly more compressed lengthwise, and spawning males develop a “hooked” jaw or kype. Rainbow Trout are said to have lots of spots above and below their lateral line (a line about midway on the sides of many fish), while Steelhead have most of their spots above it.

Rainbows were first introduced into Lake Michigan as early as the 1880’s and stocking efforts continued through 1915. These early introductions don’t appear to have been very successful. In the 1960’s several states began to release rainbows in an effort to repair some of the damage done to the fishery of the Great Lakes.

While Steelhead could thrive here, there is not enough suitable spawning habitats and their reproductive rate will not maintain their numbers. Now they are stocked yearly. Small Rainbow Trout, from about 5 to 10 inches long are trucked in from a hatchery and released into the Clinton. Many of these young fish head for Lake St. Clair where they often hang out near the mouths of rivers and grow for several years. They return and attempt to spawn and usually don’t die after spawning. They may reproduce for as many as 5 years.

Steelhead can reach sizes over 40 inches long and 40 pounds. It is no wonder that their size and beauty draw attention to these fish. Some Steelhead overwinter in the river and others come up stream, often in spring, to spawn, so you might get a glimpse of one. They, along with the Common Carp, are likely the two largest fish commonly found in the Clinton River.

We have a nice mounted Steelhead in our “crawl through” Clinton River display here at Shadbush. Be sure to visit us to see this animal or take a few walks along the river. You may be rewarded with a look at this popular fish.

Winter and Early Spring at Burgess-Shadbush Nature Center
When winters gets boring come out to the center and take a hike, see your favorite critters, and say hi to our staff and volunteers. Winter wildlife is sure to include birds like woodpeckers and juncos at the feeder, Wild Turkeys by the back porch, and the occasional White-tailed Deer. You might even discover the tracks of something more exciting.

This year we are offering a variety of programs including: Winter Fest, Ice Cutting, Maple Syrup Day, Nature Tales for preschoolers, Nature Night on many Friday evenings, and much more. Be sure to note our Home School Programs which are open to anyone interested in exploring science and nature topics and our Science Olympiad programs. There are a few special hikes and activities as well. See you here soon and please, remember to tell your friends about us.

Please call us at 586-323-2478 if you have questions or want additional information about any of our programs or events.

Note: All programs are subject to change relative to weather and other considerations. Please call if weather seems to be a factor. Indoor programs may be substituted for outdoor activities.
Help and Donations Needed
Burgess-Shadbush is looking for donations of dried seeds, seed pods, beads, yarn, and similar craft materials. If you aren’t sure what to bring be sure to call Jo Burgess for details.

The Friends of Shadbush welcome donations of used books (not novels) for resale. The Friends help with a number of projects here at the center.

We also are looking for volunteers interested in greeting visitors, taking phone calls, and similar types of experience. Please contact Dan Farmer for details.

Adopt a Critter
Shadbush has a good variety of live animals for visitors to see, sometimes hold, and photograph. You can help us maintain our critters by “adopting” them. Invertebrate animals can be adopted for a donation of $25; fish, amphibians, and lizards, turtles, and snakes for $40 per year. Your name, the name of a child, or other business honoree will go on the animal’s aquarium for the year. Some animals will require more than one adoption fee to pay for its entire year. General donations are also welcome to fund an occasional trip to the vet or other special care situations.

Deer Day
Saturday, November 5, 11:00am–4:00pm
#332448-A1 Cost: Adults $2, Children age 4 & up $1
Join us as we meet a deer, win prizes from Professor “Buck Horn”, do a craft, take a walk for deer sign, learn about deer, see some deer related artifacts and more. This program is designed for the whole family, preregistration is helpful, but walk-ins are welcome.

Pioneer Family Christmas Photo
Saturday and Sunday, November 19 & 20, Noon–5:00pm
It’s time to take the family Christmas card photo, why not try something new! Have your photo taken in our historic pioneer cabin. The cabin will be decorated for the holidays and we’ll provide the lighting equipment, a tripod, and photo expert to help with posing and lighting suggestions. Times can be reserved for a $5 (or more) donation per 15 minute segment. Call the Nature Center at 586-323-2478 for more information and available times.

To register, come in and pay by cash or check only. Be sure to bring your camera with batteries charged, a media card, fresh film if needed, and your photo. Pets that are well behaved can be included with prior notification. Get your needed Christmas photos in a great setting and have some holiday fun! Your donations will help the Friends of Shadbush fund future programs and projects at Burgess-Shadbush Nature Center.

A Pioneer Christmas
“A Celebration of Christmas from the 1800’s”
Spend an afternoon at Shadbush discovering how the pioneers and early settlers of our area celebrated the Christmas season. Visit our Pioneer Cabin and see how area settlers may have decorated for Christmas. The “Sisters of the Union” will be greeting and showing the cabin to our visitors. Don’t forget to stop and visit with them. There will be crafts and activities for all ages. Test your knowledge of old-time tools in a game of “Old-Time Tool-Time”. There will be costumed interpreters throughout the grounds and buildings all day. You can also sample homemade cookies and top off the day with cold or warm mulled cider. There will also be a cookie and baked goods sale and a used book sale – proceeds go to the Friends of Shadbush to help with funding for future programming at Shadbush. Please allow at least 2 hours to complete the program.

Make old-fashioned ornaments from natural and artificial items. Making Old-fashioned ornaments has limited seating, be sure to sign up for a session as soon as you get to the nature center. Sign up is on a first-come first-serve basis. Each session will last approximately 45 minutes.

Session times will be available on the day of the event. Maximum of 25 people per craft session. Fee: $4 per person–per day, ages 4 and up. Pre-registration is appreciated but not required. ALL CHILDREN MUST BE ACCOMPANIED BY A PAID ADULT.

Maple Syrup Program
Saturday, March 24, 11:00am-4:30pm
Cost: Adults and Children age 4 and up, $3.
Programs begin at 11:00am, Noon, 1:30pm, 2:30pm, and 3:30pm. You will learn about how sugar “gets into” the tree, travel to a maple tree, learn how to recognize maples, and find out about the tapping process. You will also gather around a fire to learn about the “boiling down” process, have a dish of ice cream with warm maple syrup as a topping, and more. Visitors will also have a chance to use an old fashioned brace and bit to drill a “tap hole” into a “tree” and look closely at the features of maple trees. Pre-registration is required – please note times and corresponding registration numbers. Register early as this event often fills.

Ice Cutting & History of the Ice Harvest
Saturday, February 4, 1:00-4:00pm
#232484-A1 Cost: Adults $2, Children age 4 and up $1.
We will learn about how ice was cut from lakes, ponds, and rivers and stored for summer use in drinks, treats, and ice boxes. We will then travel to Holland Ponds to cut blocks of ice (ice and weather conditions permitting) using old-time tools. A display on ice cutting will be included.

Winter Hike and Cook Out
Saturday, February 25, 10:00am
#232452-A1 Cost: Adults $2, Children age 4-12 $1. Under age 4 are free.
We will hike one of our favorite trails to look for signs of winter wildlife. Bring hot dogs, your drink, chips, etc., and enjoy a winter cookout and a marshmallow roast around the fire. Lunch from Noon-1:00pm. Pre-registration is appreciated but “walk-ins” are very welcome. Be sure to dress for the weather, bring walking sticks or ski poles.

Special Program
All About Salamanders
Saturday, March 17, 1:00-3:00pm.

Bird Identification and Animal Sounds
Thursday, April 12, 1:00-3:00pm  #212845-E1
We will learn about frog, bird, and mammal sounds, learn to use binoculars, and prepare to identify birds during our May hike at Holland Ponds.

All Scout Groups Welcome
Burgess-Shadbush Nature Center is pleased to announce that individual scout groups are welcome to schedule programs with us. Call us or e-mail us for a listing of topics that we offer. You may choose a badge or achievement that is nature related or come out for a general topic. Boy Scouts, Cub Scouts, Girl Scouts, Daisy Scouts, and all other scout groups are welcome to attend our other scheduled events but please notify us in advance. Fees: scout programs are usually $3 per Scout or sibling, with a minimum of $20 per program. There is no fee for adults. At least one scout leader is required for events. Please call us at 586-323-2478 for details.

Birthday Parties at the Nature Center
You can hold a special birthday party at Burgess-Shadbush Nature Center for your child. The party can include a chance to touch, hold, and be photographed with some of our live animals. It also includes our popular nature walk (weather permitting). Your reservation will include the use of our Multi-Use Room for 4 hours. This room holds about 24 total adults and children. You bring decorations, food, table covers, cake, and party favors. Parties are available on select days, (typically Saturday or Sunday afternoons), when other Nature Center events don’t conflict. The fee is $100 for Shelby residents and $125 for non-residents. The registration is confirmed when payment is made. You can register in person at the Center with cash or check. Call Shadbush at 586-323-2478 for details.

Critter Feeding Times
Many visitors enjoy watching our many critters feed. We often feed on Saturday or Sunday afternoons, but feedings also occur as needed. You can call 586-323-2478 for details.
On November 16, 2011 the Shelby Township Library will be celebrating its 40th birthday. Forty is certainly a milestone and the list of accomplishments is long. Over 6,851,756 items have been circulated to over 3,319,589 visitors. With the average item price being about $15.00 it equals over $100 million dollars’ worth of items! More recently, in the past 11 years over 70,000 hours of internet time has been provided. Keep in mind that while the staff worked hard to provide that content and services it also answered hundreds of thousands of reference questions, and provided hundreds of programing events designed to foster early learning in children and cultural enrichment for adults.

Of course over the years the Library has faced its critics, and time and again has proven its worth. Even today, the idea that “the Internet has everything” sits at the back of people’s minds. Some even proclaim that the end of public libraries is near. Most of these folks don’t ever set a foot in their own public library and yet proclaim to be visionaries of its future. Take it from me this library has grown and changed to meet the needs of its community many times and it will continue to do so. The future will likely continue to bring innovations and librarians and libraries will continue to leverage them to serve their local communities as central repositories, information hubs and gathering places.

Me biased?!! You’d better believe it. My bias stems from the differences I see this Library make every day in the lives of its users. We’re living in an information age and where better to get plugged into it than at your local public library?

I’ll see you @ the Library.

Shelby Township Police Department News

CITIZENS POLICE ACADEMY
The Shelby Township Police Department has found that education is most effective in gaining understanding and support from the community. The Citizens Police Academy offers citizens insight into how police officers perform their duties and how the Shelby Township Police Department serves the community.

Introduced in 2010, this program is held twice a year (spring and fall). Instruction consists of a 2.5 hour class held once a week for six weeks from 6:30 to 9:00 pm. The spring 2012 session will be held on Monday evenings, beginning March 12. This instruction is comprehensive, covering two different areas of police service each week. Certified police officers, supervisors, and civilian instructors with particular expertise will conduct each topic.

More information, as well as a link to the application, can be found on the Shelby Township web site. Applications may also be picked up at the front desk of the Police Department. The deadline for applications for the spring session is February 27.

DEPARTMENT TOURS
The Police Department conducts tours of the station for local school, youth, and scouting groups. All organizations must originate in Shelby Township. Contact Sgt. Ken Cazabon at 586-731-2121 ext. 423 to schedule a tour.

PRESCRIPTION MEDICATION COLLECTION
In conjunction with the Shelby Township Hazardous Waste Collection Day on April 28, 2012, the Police Department will be collecting expired/unused prescription medication. It is preferred that the medication is removed from the original container and put in a small “zip-loc” bag. This will take place on the Township Municipal grounds; check the Township web site for times.
Shelby Township Fire Department Safety Tips

COOKING SAFETY
Cooking brings family and friends together; it provides an outlet for creativity and can be relaxing. But did you know that cooking fires are the number one cause of home fires and home injuries? By following a few safety tips you can prevent these fires.

“Cook with Caution”
• Be on alert! If you are sleepy or have consumed alcohol don’t use the stove or stovetop.
• Stay in the kitchen while you are frying, grilling, or broiling food. If you leave the kitchen for even a short period of time, turn off the stove.
• If you are simmering, baking, roasting, or boiling food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you are cooking.
• Keep anything that can catch fire — oven mitts, wooden utensils, food packaging, towels or curtains — away from your stovetop.

If you have a cooking fire:
• Just get out! When you leave, close the door behind you to help contain the fire.
• Call 9-1-1 or the local emergency number after you leave.
• If you try to fight the fire, be sure others are getting out and have a clear way out.
• Keep a lid nearby when you’re cooking to smother small grease fires. Smother the fire by sliding the lid over the pan and turn off the stovetop. Leave the pan covered until it is completely cooled.
• For an oven fire turn off the heat and keep the door closed.
• Have a “kid-free zone” of at least 3 feet around the stove and areas where hot food or drink is prepared or carried.

Facts
The leading cause of fires in the kitchen is unattended cooking. Most cooking fires in the home involve the stovetop.

HEATING SAFETY
There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is a leading cause of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

Be warm and safe this winter!
• Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
• Have a three-foot “kid-free zone” around open fires and space heaters.
• Never use your oven to heat your home.
• Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer’s instructions.
• Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
• Remember to turn portable heaters off when leaving the room or going to bed.
• Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
• Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
• Test smoke alarms monthly.
• Heating Equipment Smarts
• Install wood burning stoves following manufacturer’s instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.
• Install and maintain CO alarms to avoid the risk.

DEPARTMENT OF PUBLIC WORKS

The Department of Public Works would like to thank our customers for the opportunity to provide service to your homes and businesses. Following is information we hope you will find helpful.

The Shelby Township Department of Public Works is located at 6333 Twenty-Three Mile Road, between Van Dyke and Mound Roads, behind Shelby Township Fire Station No. 1.

Water Bills
Water bills are mailed quarterly and may be paid by mail, at the DPW Office or at the Treasurer’s Office at 52700 Van Dyke. Twenty-four hour drop boxes are available in front of both the DPW building and the municipal building. Please do not put cash into the drop boxes.

For the convenience of our customers, we have three ways to pay your water and sewer bills:

• Cash or check made payable to “Shelby Township DPW”. Please include your payment stub and/or account number with your payment, so that credit is given to the correct account.
• Automatic bill payment, where customers authorize the DPW to have their payment electronically withdrawn from their checking or savings account.
• Credit Card payments may be made by phone at 800-272-9829 or online at www.officialpayments.com. A convenience fee of $6.50 is paid to Official Payments for this service. You will be asked for Shelby Township’s jurisdiction code which is 7006.
• Unfortunately, at this time, we are unable to take credit or debit card payments.

Please note that regardless of which method of payment you use, bills are not considered paid until the payment reaches the DPW. Please consider this when making on-line payments and make them in advance of the due date.

Street Signs, Snow Plowing & Road Maintenance
The maintenance and replacement of all Township street signs is handled through the Road Commission of Macomb County. The phone number to request a replacement sign is 586-463-8671, traffic division.

The Road Commission also handles snow plowing and the filling of potholes in the Township. The number for these services is 586-463-8671, maintenance division.

New DTE Service
Streetlight burned out? If you’re a DTE Energy residential or business customer, you can now report it online at dteenergy.com/streetlight. With the new online system, reporting an outage and getting it fixed is easier and faster than ever.

To report a street light out at their home or business, customers need only to fill in the address on the online form. If they spot an outage elsewhere, customers simply type in the Township location, the intersection nearest to the affected light, and their contact information.

Completing the form takes only a minute, but can make a big difference in getting the repair done as quickly as possible.

In addition to the new online system, customers can report street light problems by calling DTE Energy toll-free at 800-477-4747. If you are unable to make the report through these methods, the Shelby Township Department of Public Works, as always, will be happy to assist you. Please provide us with the address where the light is located or the nearest intersection. There is also a tag on each light post with the street light number. It would be very helpful if you would also provide that number.

Irrigation Restriction Ordinance
Thank you to all of you who cooperated with the odd-even sprinkling and peak hour water usage restrictions. As yet, we have not been informed by the City of Detroit if enough of our residents participated in order to make a significant reduction during peak hours and affect our upcoming rates. This is an ongoing program during our sprinkling seasons, so if you are unfamiliar with the program, but would like to participate next spring, please call the DPW for more information or see the brochure at shelbytwp.org under Department of Public Works.

NEWS FROM THE SOLID WASTE AND RECYCLING COMMITTEE

Following is information that the Solid Waste and Recycling Committee hopes you will find helpful. Please remember that there is much more information on our website, shelbytwp.org/recycle. The website is an excellent source of information regarding electronics and all types of recycling, the most current information on disposal of batteries, specifications for yard waste collection, holiday collection schedules, senior discounts, etc. If you don’t find the answer you are looking for on our website, there are many links to other governmental agencies and recycling opportunities that we are sure you will find useful. Please take a look. If you don’t find the answer you are looking for on our website or have a specific question, please e-mail the Committee through the Department of Public Works at dpw@shelbytwp.org.

HOLIDAY SCHEDULE
The Thanksgiving holiday will result in a one-day delay in trash collection for Republic Services/Allied Waste customers with Thursday and Friday collections only.

Christmas 2011 and New Year’s Day 2012—no service on Monday; trash collection will be delayed by one day during this week.

CHRISTMAS TREE COLLECTION
Live Christmas trees will be collected the second week of January on your regular pick up day. Please remove all decorations from the tree, including bags and tinsel. If the tree is 6 or 7 feet tall, please cut it in half. If the tree is 8 feet or taller, please cut it in 4-ft sections.

Please note that holiday lights are collected at the monthly “electronics recycling” events.

PLEASE LABEL YOUR TOTER CARTS AND RECYCLING BINS
Once again, we would like to stress the importance of labeling your toter carts and recycling bins with your address in permanent marker. We have many reported incidences involving missing carts and bins, which we feel could be alleviated by labeling. If the carts and bins are blown or pushed away from your home, they can be identified and returned. Homeowners are responsible for the cost of replacing the bins, which can be quite expensive. Please take a few minutes to label your containers and hopefully avoid the problem. Also, please note that if you move, the toter carts and recycling bins are to remain with the property. This does not apply to the blue trash/compost carts that you may have purchased. They are yours to keep.

Was your trash missed or do you need a special pickup? Please contact Republic Services/Allied Waste at 800-959-9067 to address these and other refuse collection concerns.

Thank you to those of you who participated in the Vintage Tech Recycler’s Electronics Collection Program in 2011. As of the August 27, 2011 event, 377,008 lbs. of electronics were collected for recycling in Shelby Township. Please remember that this program is open to everyone; Shelby Township residency is not a requirement.

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY
The tentative date for the 2012 Household Hazardous Waste Collection for single family residences in Shelby Township is April 28, 2012. Our collection site may change this year, so please visit Shelby Township’s website at shelbytwp.org/recycle for further information and updates.

Shelby Township Historical Committee

Historic Hope Chapel
- The Hope Chapel was originally known as the Hope United Methodist Church of Disco, Michigan. It was located on the west side of Van Dyke north of 24 Mile road. The Hamlet of Disco was platted in 1849. In 1850 the Disco Academy was built on the southwest corner of Van Dyke and 24 Mile Road.
- Preserving the historic buildings that exist in our Township has always been a top priority of the Shelby Township Historical Committee. In August of 1997, the Committee learned that The Hope United Methodist Church members decided to build a new church. The Historical Committee recognized the significance of the old building and wanted to preserve it if possible. The Church agreed to donate the building to Shelby Township if it could be moved off their property located near 24 Mile Road and Van Dyke.
- Our Township officials, Historical Committee members and volunteers went to work to devise a plan to save the historic 1890 building. Thanks to the support of Township officials and others who donated time money and effort, the building was finally moved to the Township grounds in June of 2001.
- Moving the building to its new location was only the first step of many in the process of restoring this structure. The goal of the Township is to restore the buildings appearance to the period of about 1900. However, the entire structure must be updated to the latest building codes. The building will be strengthened where needed. The roof and steeple will be repaired. Electrical, heating and plumbing will be revised. New restrooms will be added to the rear of the building.
- When the restoration is completed, the building will become an activity center for the community. It will be available for use as a rented chapel for weddings or other suitable social events. The building now renamed The Hope Chapel will continue to serve our community.

History from 1830 - The intersection of 24 Mile road (Whiskey Road) and Van Dyke was once the unincorporated village of Disco, Michigan. In 1830 the farmers who settled this area from New York referred to it as “Utica Plains.” By the late 1840s they wanted a higher education facility similar to the Romeo Institute or the Rochester Academy. In 1849, the same year the village of Disco was platted, ten acres of land were donated toward the creation of the Mutual Literary Institute. It was renamed the Disco Academy in 1855. Religious groups used the larger of the two buildings. The lower floor was used by the school trustees, the upper floor by the Methodists who organized in 1863, and later by the Congregationalists.

1890 - The congregation of The Methodist Protestant Church continued to grow and the upper floor of the Disco Academy was not large enough to contain the flock. The church appointed a building committee and on September 13, construction started on a new church building at a cost of $1,300. The land, later known as the Metz farm was donated by Mrs. Flora Keeler. Floras parents were Mr. and Mrs. S. Preston of Prestonville. Pastor Wilber S. Ostrander, of the Disco Methodist Protestant Church, formally dedicated the new church building on December 20, 1890.

1921 - Electricity is installed. The electrical lines in the Utica-Disco area were installed in the early 1900s and operated by a number of small electrical companies. In 1916 the small electrical companies were consolidated with the Edison Illuminating Company. It took five more years before the church was wired.

1927 - The building is raised and repositioned on a basement. A new coal furnace is added to heat the building. Previously, a pot bellied stove, placed at the front of the church where the organ used to sit, was used to heat the building. The new basement was used for Sunday school classes and social meetings.

1962 - A new 15 x 28 foot addition was added to the back of the church. The addition consisted of an all purpose room for social affairs or Sunday school, and rest rooms. Church members had used outdoor facilities until this time.

1979 - The name of the church was changed from the Disco Methodist Protestant Church to Hope United Methodist Church. By this time the word disco had taken on new meaning and most people in the area were not aware that the Village of Disco existed here and was the reason for the church’s name.

1980 - The old house that sat on the south side of the church was demolished for more parking spaces. The house was probably first used as a parsonage around 1895 after it was purchased from the Keeler/Cameron family. When Rev Simpson (1969-1973) was appointed to the Disco Church, he would not take the appointment unless the church supplied better living accommodations for him and his family, so the present parsonage was purchased.

2002 - Volunteers completed the restoration of the building and it became known as “Historic Hope Chapel”.

Historical Committee Meetings
Please join the Committee at one of its monthly meetings on the second Thursday of each month (except July & August) at 6:30 pm in the Andrews Schoolhouse located on the Shelby Township Municipal Grounds at 52700 Van Dyke, south of 24 Mile Road. Please bring your pictures, artifacts and stories to share with us and visit us on the web at www.shelbyhistory.com. We can also be contacted through the Clerk’s office at 586-731-5102 or via e-mail at shelbyhistory@yahoo.com.
BEAUTIFICATION NEWS

A beautiful summer was had in beautiful Shelby Township! The Beautification Committee is pleased to announce the winners of the 2011 Beautification Awards. The effort and pride they show in maintaining beautiful grounds at their residences bring joy to so many and enhance our neighborhoods.

- Vince and Rina Abate
- Bill and Cathy Ireland Hall of Fame Winner
- Eric and Noemi Martoni
- Randy and Audra Spondike Hall of Fame Winner
- Jim and Angie Vickery Hall of Fame Winner

The winners were honored at a Township Board meeting on October 4, 2011. They received a plaque or an engraved garden stone for the Hall of Fame winners, those who have won three times. Shelby TV showed footage of the lovely landscaping and presented each winner with a DVD of all the winning gardens. One of our great local businesses, Hessell's Greenhouse, again donated a large, beautiful mum for each winner. Our thanks to all and to the Clerk’s Office for their support.

Remember CLEAN UP DAY, the last Saturday in April, 4/28/2012.

Shelby Township Fine Art Society

Do you enjoy painting or drawing? The Shelby Township Fine Art Society offers an open invitation to all budding and experienced artists. If you live in Shelby Township or its surrounding areas, come join us at an upcoming meeting. The Society meets on the second Wednesday of each month from September through June. Meetings are held from 7:00 to 9:30 pm in the Card Room at the Shelby Community Center. As a group we provide artist demonstrators, teaching workshops, and the opportunity for our members to display and sell their two-dimensional artwork.

Informal general meetings include a short time set aside to provide updates and information about current and future activities. Following a short break for refreshments, a seasoned artist gives a demonstration of watercolor, oil, or acrylic painting, pastel, color pencil, or drawing for approximately 1½ hours. At times a speaker will provide information that is of interest to our members. Our teaching workshops are usually held in the fall and spring at the Burgess-Shadbush Nature Center.

Member Work Exhibitions Include:
- Shadbush Nature Center – September
- Shelby Township Library – November/December
- Shelby Township Municipal Building – April
- Shelby Township Art Fair – August

For more information contact the Shelby Township Fine Art Society President Carole Currier at 586-566-7544.

Shelby Township News Worth Knowing  Winter/Spring 2011-12
Shelby Gardeners Club News
Shelby Gardeners Club will be celebrating our 40th Anniversary throughout this year with many special events. Our plantings at Heritage Gardens were very successful and continue to bloom into this fall season. The gardens were planted and are maintained by the members throughout the growing season. If you missed seeing the Heritage Gardens this summer it is not too late! The bonus of leaves changing into their fall colors makes for a beautiful stroll through the Heritage Gardens and around the lake.

Join Us for a Meeting
Shelby Gardeners meet at 10:00 am the second Thursday of each month at the Burgess-Shadbush Nature Center at 410 River Bends Drive (off Ryan Road between 22 Mile and Hamlin Roads). For information call Ann at 586-731-9367. We are a non-profit club and our purpose is to promote the interest and knowledge of its members and the community in gardening, ecology, horticulture and flower arranging.

Fundraiser - Entertainment Book 2012
We are now selling the 2012 Entertainment Book for $25. See a sample and purchase a book at the Shelby Parks, Recreation and Maintenance Department (586-731-0300) or contact Gardeners Club member Phyllis at 586-731-8215. They make great gifts and additional coupons are available on-line. All profits support our ongoing community projects. We are a non-profit club.
