## Trap range rules

1. Shotguns only - no rifles or handguns of any kind
2. All shotguns will have the gauge size on the side of the barrel. Acceptable sizes (smallest to largest) are as follows: 410 - 28 - 20 - 16 - 12
3. All shooters are required to wear eye and ear protection
4. No more than two (2) shells allowed in a shotgun at a time.
5. Flying clay targets (skeet) only - no patterning ground targets or slightly elevated targets.
6. Maximum two shooters allowed at each shooting station
7. No deer hunting loads - slugs or buckshot
8. No black powder is permitted in any type of gun
9. No discharge of pistols - Some pistols are available with the smallest shotgun size (410) but are not allowed on the range
10. All shotguns must have overall length of 26" or more

The use of BB guns is prohibited unless prior arrangements have been made with a Range Officer who **MUST** be present during use. 177 caliber pellets are not allowed.

## Archery range rules

1. Compound, long and recurve bows and target arrows are permitted
2. Crossbows are now permitted. A crossbow arrow (bolt) stopper is recommended. Special crossbow rules apply - please see range officer for details.
3. No hunting or broadhead arrows (bolts) permitted.
4. Use approved targets only.
